"What is to be seen now," he writes, is only that which we have been able to create in haste, under a fearful bom-bardment of both British and French. The men crouch immovable in these shell holes, with no cover from sun or rain and not the slightest protection against the shells, dropping like a torrent from

the shells, dropping like a torrent from straight above.

"The men lie in these pits in the most fearful confusion with the wounded, who cannot be taken away until the approach of night, and with the dead, who cannot be buried at all. In the August heat the bodies begin to decay quickly. Unceasingly the enemy stream the country with shrapnel and bloom it up with heavy shells. When the attack begins the terrors of these pits are beyond description. Like the fire rain upon Octoorah the drumfire of the enemy comes down from heaven."

French Attack North of Somme Carries Forces Into New Territory.

WIN PART OF MAUREPAS

Bulgars Claim Defeat of Serbs and That They Cut French Right in Half.

Paris, Aug. 24, via London, Aug. 25 (Thursday).—The French official com-munication issued to-night says:

North of the Somme about 5 o'clock in the afternoon we attacked German positions in the Maurepas region. After carrying in a single dark that part of the village which the enemy still occupied and adjoining trenches we established a line two hundred meters beyond on a front of about two kilometers, stretching from the railroad north of the village to Hill 121 on the southeast. We took prisoners 200 Germans during this operation and captured a dosen machine gums.

South of the Somme the artillery duel continues in the Estrees and

duel continues in the Estress and Lihons sector.

On the right bank of the Meuse the enemy launched many hand grenade attacks against our new front between Thiaumont and Fleury. All these attempts broke down under our fire. We made slight progress beyond the eastern outskirts of Fleury. The day's combats brought the day's total of prisoners in this sector to 200, of which eight were officers.

Aviators Are Active. The French afternoon statement for

South of the Somme yesterday evening, after a very lively bombardment directed against Soyecourt Wood the enemy attempted an attack with crenades, which was mastered immediately by our fire. A little later, southwest of this wood, an enemy attack in preparation was caught under ur curtain of fire, and the enemy was prevented from leaying his trenches. In the Champaghe several German uprise attacks on a minor post in the Tahure region were repulsed

On the right bank of the Meuse (Ver-dun front) the enemy bombarded briskly the positions we captured yesbriskly the portitors we captured yesiceday between Fleury and Thiaumont
Work. We took more than 250 prisoters, including five officers, during
the course of this sttack. There has
been a somewhat lively artillery duel
in the region of Chenois. Everywhere
clae the night was relatively quiet.
Aviation—On August 22, on the
Somme front, one of our air pi'ots was
attacked by three enemy machines.
He succeeded in escaping his adverattacked by three enemy machines. He succeeded in escaping his adversaries, one of whom he brought down precipitately to earth near Athies, in the vicinity of Hem. Yesterday an Albatross was brought down by our men in the neighborhood of Epoye, to the northeast of Rheims. It dived headlong into the enemy lines. An-

the Vosges region. British Gain at Thiepval.

LONDON, Aug. 24 .- The War Office to night issued the following statement: night issued the following statement:
South of Thiepval this afternoon we made a further advance of 200 yards capturing an enemy trench 400 yards in length. Many prisoners are being taken in this sector. Yesterday sixty-two, including two officers, were pussed back. These are in addition to 164 already reported. To-day a further number was taken, the exact number not yet being ascertained. A hostile bombing attack against our new trenches north of Bazentinie-Petit was easily repulsed last night. There has been considerable hostile shelling this evening along our front shelling this evening along our front mainly in reply to our bombardment.

Take Trenches Near La Bassee. The British mo: ning announcement fol-

Last night the enemy made etrems ous efforts to regain his lost ground between the Guillemont station and quarry. After a severe bombardment, which began at \$.45 o'clock, he launched a strong infantry attack, which was pressed with such determination that it reached our parapets at

After a short struggle the attack After a short arrugge the attack was repulsed completely everywhere with heavy losses to the enemy. After this failure the enemy deliv-ered a further intense bombardment at 12:39 o'clock this morning, but no

other infantry assault materialized.

Near Hohensollern redoubt the enemy shelled our lines heavily and attempted a raid, which failed completely. In no case did he turceed in reaching our lines.

In a raid which we carried out north-In a raid which we carried out north-

west of La Basses we successfully en-tered the enemy's trenches. French Attacks Repulsed.

BERLIN, via London, Aug. 24 .- The German official statement says:

North of the Somme yesterday evening and last night fresh efforts on the part of the enemy were rendered futile. British attacks were again directed against the projecting angle between Thiepval and Posteres and against our positions around Guillemont. Near Maurepirs, and especially to the south, strong French forces were repulsed after stubborn fishting at various

On the right bank of the Meuse (Verdun front) the artillery fighting in the Thiaumont-Fleury sector and in the wooded mountain near Chapitre increased considerably in intensity Several French attacks south of Thiau-mont work broke down.

During the last few days one enemy aeroplane has been shot down at each of the following places: In aerial engagements near Basentin and also west of Peronne; by anti-aircraft guns in the region of Richebourg and near La

Eastern Front: With the exception of minor successful engagements against Russian advanced troops, as a result of which prisoners and booty were brought in, there were no developments of importance.

Fighting Now to Albania.

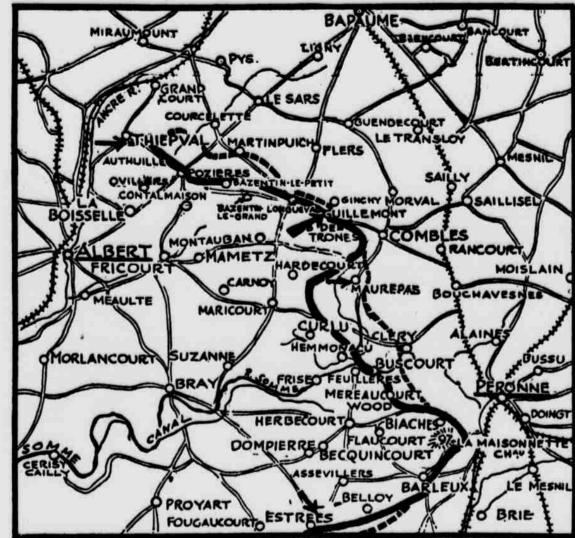

BERLIN (via wireless to Sayville), Aug. 24 .- The Austrian report respecting the Italian front follows : After violent shelling of positions in the Farma Alps and on the heights on both sides of the Travignolo Valley, the Italians made several attacks in front of Coltarondo and Cima di Ceco. They were repulsed.

On the Isonso front the enemy's artillery has opened a livelier fire upon separate sectors. Near Voche, in the separate sectors. Near Voche, in the Stenstriz, an enemy biplane fell into our hands. The occupants were taken prisoner. In the Tyrol an enterprise on the Fleimstal front brought in eighty unwounded prisoners and two machine guns.

On the southeastern front (Albania),

in the Aviona sector, the enemy is in-creasing his activity.

An Austro-Hungarian battle plane,

gagement with four Farman biplanes rhot down two machines. One fell into the sea near Skumblouth. The second fell into the sea and was recovered by

Get 200 Prisoners.

The Austrian statement on the Car-pathian front follows: West of Morlaka German troops stormed another Russian infantry position and captured 200 men and two ma-chine guns. Near Zabie Russian attacks were repulsed. Further to the north there were only minor activities, which left the situa-

German Attacks Fruitless.

PETROGRAD, via London, Aug. 24.-

The Russian day statement says: Yesterday the enemy opened a flerce artillery and machine gun fire on our positions near Tobol, on fire on our positions near Tobol, on the western bank of the Stokhod, thirty-eight miles northeast of Kovel. In the afternoon enemy columns commenced an offensive, but were driven back by our rifle and machine gun fire.

The presence of Turkiah troops on

the Ziota Lipa (Galicia) is disclosed by prisoners taken. The Russian night statement says:

The Russian night statement says:
Caucasus front—our troops, preseing the enemy in the region to the
west of Lake Van, entered Mush,
where they took some prisoners.
Supplimentary information received from army headquarters says
that in the buttle fought in the region
of Rachta, where we surrounded portions of the Fourth Turkish Division,
we took prisoner of the whole of the we took prisoner of the whole of the Eleventh Turkish Regiment, consist-ing of its commander, fifty-six officers and 1,600 of the rank and file, as well as nearly all of the remnants of weil as nearly all of the remnants of the Tenth Turkish Regiment, consist-ing of two staff officers, several other officers and 650 Askaris. We also captured in this battle three cannon and three machine guns. Our offensive west of Lake Van is developing. Northeast of the town of Mush we occupied the region of

Much we occupied the region of Mush we occupied the region of the village of Arindovank. In the direction of Mosul our gallant troops defeated four Turkish divisions in the region of the village of Rachta. Two regiments were surrounded and taken prisoners. One of these regiments surrendered in a body, with its commander and staff. Cannon and ma-chine guns were captured. The counting of the booty and the prison-

ers taken is proceeding. Turks Claim Russian Losses.

CONSTANTINOPLE, via London, Aug. 24. -The Turkish official announcement follows:

Caucasus front: On our right wing separate attacks on the Turkish advanced positions were repulsed by counter attacks with considerable enemy losses. In the Ognot sector alone the Russians lost 2,000 men and in front of the Turkish position at Might we counted 400 killed.

Italians Win in Alps.

Rome, via London, Aug. 24 -The Italian statement to-day follows: Small offensive operations by our troops gave us possession of some new positions in the rough, mountainous area of the Passa Alps.

At the head of the Possernica Val-ley we occupied Height 2354, south of

By a violent counter attack the nemy succeeded in retaking this post-on, but was at last driven off by At the head of the Cia Valley de-

tachments of our mountain troops carried enemy trenches along the slopes of Monte Cauriol and Cima di On the remainder of the front there

was intermittent artillery fighting.
Activity is reported on the part
of alreraft and reconnoitring detachments. During a flight above (forizaone of our Nieuport machines brought down an enemy seroplane, which fell in flames near Ranziano.

Bulgare Claim Serb Defents.

Soria, Aug. 24.—The Bulgarian of-ficial afternoon statement says: Bulgarian troops, advancing south of Florina, occupied on August 23 Kostour and Kastoria. The defeated Serbians are retreating southward. The Bulgarians operating in the direc-tion of Lerina, Banica and Corntchero

tion of Lerina, Hanica and Corntenero captured on August 21 a strongly for-tified position on the creat of Mount Malka Nieze.

On the following day they attacked the Serbians on the Vardar in their new positions at St. Spiddon, Hill 207 and Tcheganski Planina. The fighters continues.

we definitely consolidated our posi-tions on the Djermattgeri height, north of Lake Ostrovo. In the Moglenica Valley important forces attacked the Dukoruz and Kourl sector. All attacks were repulsed with heavy Serbian losses. Additional information shows that

Additional information shows that the Hundred and Seventy-sixth French Regiment, which participated in the fighting on the 21st, lost 50 per cent. of its effectives. We found on the field 250 hodies.

of its effectives. We found on the field 250 bodies.
On our left wing, in the Struma Valley, we cleared the left bank of the river of the enemy. We buried 500 of the enemy yesterday.

Bouth of Drama advanced Bulgarian

detachments encountered an English squadron, accompanied by a company of cyclers. After exchanging shots the English retired in the direction of Orfano. Having previously destroyed two bridges over the river we occupied Angista Station and the railway through Oxi ar, Drama, Angista, Seres and Demir Hissar is now in our

BERLIN, via wireless to Sayville, Aug. 24.-The morning Bulgarian official announcement on the Baltic front fol-

We defeated the enemy on the Struma on August 21. The enemy escaped by flight on the right bank. The whole ground in the neighborhood of the villages of Erikeut, Mevory and Towolova was covered with bodies of the enemy's dead. Up to the present time we have counted more than 400 dead, including the bodies of reveral officers.

We captured eight machine guns.

bedies of reveral officers.

We captured eight machine guns, a large number of rifics, grenades and wagens for artillery and supplies. We also took 150 unwounded prisoners, including four officers, and sixty wounded prisoners. The battlefield was covered with a huge quantity of kits, which proved that the enemy was defeated completely.

was defeated completely.

A squad of hestile cavalry was lured by a manouvre of our cavalry into the range of our infantry fire and literally annihilated.

French attacks which had been directed for ten days against our post-French attacks which had been directed for ten days against our positions south and west of Lake Doiran failed completely. This probably is the reason why the General Staff of Gen. Sarrail (the allied commander) reports the capture of places which all along had been in the hands of the French, such as the ratiroad sta-tion of Doran and the village of Doloniyeli, which was abandoned by

the enemy. Our troops buried fifty French dead on the right bank of the Vardar. In the vicinity of Nayadagn we cap-tured a hostile detachment and one machine gun. The French left sev-

In front of the right wing of the allied armies the enemy is intrenching himself on the left bank of the River Struma and on both sides of the highway to Seres. Between the Struma and the upper valley of the Moglenica Anglo-French forces have required without trouble several attempts of the enemy to recapture the positions occupied by Anglo-French forces to the north of Palmes, in the sector of boltan and in the in the sector of Dolran and in the direction of Ljumnica.

Along the entire mountainous front to the west of the Moglenica Serbian troops are developing an offeneive. On the extreme left they have reoccupled as a result of a vigorous counter attack Hill 1506, five kilometers (three miles) to the northwest of Ostrovo Lake, which position they lost on the morning of August 23.

British Deny Sech Reverses. Lonton, Aug. 24.—The official state-ment issued here to-day on the Baikan

fighting says: There has been artiflery activity on the Doiran front but no infantry action. On the Struma front our artillery dispersed Bulgarians who were intrenching on the left bank of the river. The enemy's artillery shelled Orlak bridge. The Serbians are on the same line as reported yesterday.

FIFTH GERMAN WAR LOAN. Issue at 5 Per Cent. Will Be Put Out at 98.

London, Aug. 24.—Arrangements have been completed for the fifth German war loan to be issued September 4 at 5 per leans. Subscriptions will be received up to October 5. The issue price will be 25. cent, as in the case of the previous

Count von Roedern, secretary of the

Imperial Treasury, has instituted measures to popularize the loan, described by canvassers as "the last war-loan". Former issues of war bonds may be former issues of war bonds may be turned in as subscriptions.

The fourth German war loan was issued in March, It was sold at 98½, as against 99 for the third loan. An issue price of 98 for the new bonds would indicate that Germany, in common with other belligerents, is being compelled to pay a higher price for its funds as the war goes on.

FINED FOR BLACKLIST TRADING. First British Firm to Be Punished

for Violating Order. London merchants, were to-day fined [25] (about \$125) and 16 guineas costs for trading with a Dutch firm which is on the blacklist of the British Government comprising firms with which British subjects are not permitted to trade.

This is the first case of the kind to be brought up. In imposing the fine the city magistrate said that a much reavier penalty would be inflicted in future cases of this nature. LONDON, Aug. 24 -George Hill & Co.

# BRITISH WREST HIGH RIDGE AT POZIERES

From Elevation Victorious Troops Fire Down at Exposed Germans.

Lordon, Aug. 24 .- The correspondent of the Daily Chronicle with the British armies in the field telegraphs under Vednesday's date:

"We are getting a stronger grip upon the ridge from Pozieres to High Wood. The enemy's endeavor to counter attack likely he will succeed in wresting back from us any of the high ground. "This position gives us vantage points

from which we can observe his movements down the slope and rake him with rifle and machine gun fire if he sends out working parties, and turn our guns on him with direct observation of the

tors, who are always observing, our gun-iers are punishing the enemy in a very frightful way, and the ground about Thiepval. Courcelette and Martinputch and the barren ground to the right of it is spend by our shellfire.

celette. Our way to the trenches was very dangerous. During the first part the thunder of the guns was very disagreeable, and in the second part very unsafe. Heavy shells fell to the right and left of the road. Mounted trough cars, field kitchens and infantry in calculations of route were all enveloped in an analysis of route were all enveloped and route were all enveloped in an analysis of route were all enveloped and route and then went back for Mrs. King.

IRISH EXECUTIONS EXPLAINED

Read at Inquiry.

Duslin, Aug. 24.—At the continuation fo-day of the inquiry into the shooting of F. Sheehy Skeffington, Fred Mc-Intyre and Thomas Dickson without trial during the rebellion last spring Sir John Simon, chairman of the commission which is conducting the investigation, read a report made by Capt. Bowen-Colthurst, who ordered the execution of the three me, and cution of the three men, and who sub-sequently was found guilty but insune by a court-martial.

The Captain said he had heard 600 Germans were marching on Dublin.
Believing he had the power under martial law, he ordered the immediate The Landsthing, the upper house of the

shooting of the three men.
He also mentioned in the report that he had heard large forces of rebels were about to attack Portobello barracks. The Captain further had in mind the fact that there were compara-Utica, Aug 24.—Secretary of the Treasury McAdoo, after addressing a gathering of farmers, lawyers and bankers here in behalf of the Federal farm loan system, left to day for the federal leave were being "shot down to the federal farm loan system, left to day for the federal leave were being "shot down to the federal farm loan system, left to day for the federal leave were being "shot down to the federal farm loan system, left to day for the federal leave were being "shot down to the federal farm loan system, left to day for the federal massacre. He was told that solders on leave were being "shot down in the city like dogs," and these things influenced bim in ordering the shooting of the men.

DANES DELAY TREATY TILL AFTER ELECTION

Upper House So Decides, Sitting in Committee of the Whole.

Danish Parliament, sat in committee this afternoon and by a vote of 22 to 7 adopted a resolution that if the sale of the Danish West Indies cannot be part shall be settled by general elections. Three members refrained from voting and thirteen were absent. This resolu-

the new constitution, it probably cannot be held before the middle of October. Influential politicians of the various parties express the opinion that the result of the elections will be that the new Righdag will ratify the treaty of sale

Schinasi Brothers are the most tobaccowise men you have ever heard of -Turkishly speaking.

Tobacco with them is second nature.

Every little tobacco farm along the Black Sea tries to grow to them.

-knowing well that Turkish leaf of the Schinasi standard gets the biggest price. For a quarter of a century Schinasi

Brothers have always taken out of Turkey only the best tobaccos regardless of price-for Naturals. For a Quarter of a Century,

Made in the Schinasi Way the Quality Way. 11-xx1==01-1>== infehimani Bro
